

Sweet Pea Cottage
Preschool of the Arts
where creative minds begin to bloom

Sweet Pea Cottage Annual Auction
Sail Into The Future
March 17, 2012

Talking Points

Why support Sweet Pea Cottage Preschool of the Arts?

- We are a **non-profit arts preschool** (donation is most likely tax deductible), offering a strong academic program enriched with theater, dance, yoga, French, Spanish, visual arts, and music.
- **Our Mission:** To enrich, challenge, and expand every child's world through an arts-based education.
- Community and World perspective: A very important component of our program is our focus on **world cultures and community involvement**.
- We have **over 250 current and alumni families** from Queen Anne, Magnolia, and Greater Seattle actively involved with our program.
- All of our teachers are **working artists** in the Seattle community.
- This is our **biggest annual fund-raiser**, with funds being used to keep tuition affordable, retain our talented teachers, bring in guest artists, and maintain quality facilities and materials for our students.
- By reaching our goal of raising \$100,000, we can expand our offering of **full and partial scholarships** for new and existing Sweet Pea families to help offset the costs of private education.
