Dear friend,

I am the parent of a Little at Sweet Pea Cottage; a non-profit preschool and early elementary program with a mission of enriching, inspiring, challenging, and expanding every child's world through an arts-based education. Our talented teaching artists work with over 250 students each year to cultivate their physical, mental, emotional and social development through a variety of arts-rich experiences in the Queen Anne, Sand Point and West Seattle communities.

It is time again for the Sweet Pea Cottage community – families, friends, and business partners – to join together in celebration and support of our *15<sup>th</sup> Annual Dinner & Auction: The Stars of Sweet Pea!* taking place on Saturday, March 31st, 2018 at the AXIS Pioneer Square.

We encourage you to join our Sweet Pea community by participating in this year's auction by providing a donation of items, services, experiences, gift certificates, and/or a monetary contribution. Your contribution will support Sweet Pea Cottage's unique programming that creates a foundation of success during children's most critical years of development.

Thank you so much for your consideration and commitment to the children and families in our wonderful community. We look forward to celebrating each little blossom in our garden of possibilities!

Sincerely,

*Parent Signature*
