

Why support Sweet Pea Cottage School of the Arts?

- We are a **non-profit arts school** (donation is most likely tax deductible), offering a strong academic program enriched with theater, dance, yoga, French, Spanish, visual arts, and music.
- **Our Mission:** To enrich, challenge, and expand every child's world through an arts-based education.
- Community and World perspective: A very important component of our program is our focus on **world cultures and community involvement**.
- We have **over 250 current and alumni families** from Queen Anne, Magnolia, West Seattle, Sand Point, and Greater Seattle actively involved with our program.
- All of our teachers are **working artists** in the Seattle community.
- This is our **biggest annual fund-raiser**, with funds being used to keep tuition affordable, retain our talented teachers, bring in guest artists, and maintain quality facilities and materials for our students.
- With your generous donation, Sweet Pea Cottage is able to expand our offering of **full and partial scholarships** for new and existing Sweet Pea families to help offset the costs of private education.
